AMENDMENT AND RESPONSE

Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Dear Sir:

In reply to the Office Action dated June 16, 1994, the following amendments and remarks are provided.

RECEIVED
NOV 14 1994
GROUP 3500

Amendments

In the Drawing

Applicant has submitted herewith a proposed change to Fig.

1. The proposed change is shown in red. Applicant respectfully requests the Examiner's consideration and approval of the drawing change. However, Applicant wishes to defer submission of formal drawings until notice of allowable subject matter.

In the Specification

At page 14, line 9, please delete "back" and substitute --leg front-- therefor.
